Drug Testing

with Crimcheck.com™

We offer solutions for all positions, in all industries, to meet your drug screening needs.

A comprehensive drug testing program has been shown to:

- **Improve the overall quality of job applicants.**
- **Reduce the incidence of accidents.**
- **Reduce losses due to theft and fraud.**
- **Reduce absenteeism.**
- **Reduce employee turnover.**
- **Eliminate wasted recruiting and training expenses.**
- **Improve employee morale and productivity.**
- **Help control the rising cost of healthcare and worker's compensation insurance.**

Crimcheck.com™ will design a custom drug testing program to meet your needs. We offer hair and urine testing, breath alcohol, 5, 7, 10 panel tests and more specialized panels when required. Crimcheck.com™ also can facilitate and manage a random drug testing program. Whether your company requires a single service or a complete program, Crimcheck.com™ will work with you.

Our network of OSHA, ODOT, and NODA compliant drug and alcohol testing facilities can screen both DOT-regulated and non-federal workplace applicants. **Crimcheck.com™ has one mission, to make it feasible and easy for employers to conduct pre-employment drug testing.**
