by Crimcheck.com

Our signature SanctionsCheck™
by Crimcheck conveniently
checks all the medical exclusion
lists— in one simple platform!

Hiring an employee is one of the most important responsibilities of a business. At Crimcheck.com, our signature SanctionsCheck™ powered by Crimcheck provides a comprehensive search of **federal** and **state** medical exclusion lists. We navigate the intricate web of data and verify results to provide your company with the quality and accuracy that you need to make an informed decision.

- **Best Practices:** We will help to keep you safe through strict compliance with the latest legislation and privacy issues.
- **Unique Customer Service Experience:** When you call us, you will speak with a person, not an automated system. Phone calls are returned in a timely manner by a knowledgeable staff member.
- **Expert Staff:** Our staff is trained in adjudicating verifications against your employee and the excluded individual.
- **Results You Can Trust:** When you partner with Crimcheck.com™ you know you will be getting the most thorough and accurate information.

You spend years building your brand—
Shouldn't you partner with people who are
experts in protecting it?
